ON-AIR PROFILE

Confident, camera-ready communicator with hands-on live broadcasting experience hosting regular cooking and lifestyle livestreams to an engaged social audience. Background spans modeling in Russia, public-facing government roles requiring poise under pressure, and small business ownership requiring constant on-the-spot communication with customers, press, and military stakeholders. Trilingual (English, Russian, Patois) with international fluency and cross-cultural ease rare among local broadcast talent. Comfortable thinking on her feet, holding an audience, and representing a brand or story with warmth and credibility.

ON-AIR & MEDIA EXPERIENCE

Host & Live Presenter

Irie Jerk — Instagram Live | Honolulu, HI | 2022 – Present

- Host regular live cooking demonstrations on Instagram Live, engaging a real-time audience with unscripted hosting, recipe storytelling, and direct viewer interaction — building comfort and fluency performing live and unedited.
- Manage all aspects of content delivery solo: framing, pacing, audience engagement, and on-the-fly problem-solving when livestream issues arise, mirroring the demands of live broadcast.
- Built and maintain an engaged social following around food, culture, and personality-driven content, demonstrating natural on-camera presence and audience connection.

Model

Freelance / Agency-Represented | Russia | Approx. 2009 – 2014

- Worked as a professional model in Russia during university years, developing camera presence, poise, and comfort with direction in fast-paced production environments.
- Gained early exposure to international media and fashion production standards while living and studying abroad.

ADDITIONAL PROFESSIONAL EXPERIENCE

Owner & Operations Manager

Irie Jerk (Military Service Contract) | Honolulu, HI | Sep 2022 – Present

- Serve as the public face of the business daily, building rapport and trust with 200+ military personnel and customers, requiring constant clear, warm, in-person communication.
- Manage all customer-facing operations, vendor relationships, and team leadership for a contracted food service business — developing strong instincts for reading an audience and adjusting tone in real time.

Constituent Services Specialist

Office of the Governor — State of Hawaii | Honolulu, HI | Jan 2020 – Dec 2020

- Represented the Governor's office in direct communication with the public, fielding 50+ daily inquiries across phone, in-person, and written channels with professionalism and composure.
- Drafted official correspondence and public-facing communications, sharpening clear, accurate, and audience-appropriate messaging.

Human Resources Specialist — Labor Relations / Business Agent

State of Hawaii DOT & United Public Workers | Honolulu, HI | May 2017 – Nov 2019

- Advised and represented employees in high-stakes, emotionally charged conversations, building skill in active listening, clear explanation under pressure, and maintaining composure in difficult exchanges.
- Regularly facilitated group settings including employee orientations and labor-management discussions, developing comfort speaking to groups and representing positions clearly and persuasively.
